

**Birthdays**

A birthday is a solemn thing; a fellow realizes then, how speedily the days take wing, the days that do not come again. A little grayer than last year, a little slower in my gait, I feel the dump is drawing near, and still I keep my smile on straight. A little failure of my sight; a bit more deafness in my ears; a few more aches—but that's all right! I would not stop the scudding years. My bald spot is a bit more wide, my muscles grow a trifle slack; I have more stitches in my side, a few more cricks in my back. But yonder vault of azure bends above no gladder heart than mine, for all about me there are friends, who keep an old friend feeling fine. Their kind words make my bosom swell, and fill my pebbled eyes with tears; they tell me I am looking well, and hope I'll live a hundred years. A few more symptoms of the gout have vainly tried to kill my joy; a few more teeth have fallen out, but I'm as happy as a boy.

**TEACHERS' UNION URGES RETENTION OF MR. BLAIR**

Services as Head of Board of Education Commended in Plea for Reappointment.

Reappointment of Henry F. Blair, president of the board of education, as a member of that body is urged in a letter sent by the High School Teachers' Union, through its president, Roy C. Claffin, to Justice Wendell P. Stafford of the Supreme Court of the District. The letter is sent to Justice Stafford rather than to the board of education on account of the illness of the latter. Mr. Blair's term expired last night at 12 o'clock, as did also the terms of Mrs. Edith Kinkman Kern and Dr. Creed W. Childs.

The letter setting forth the union's request says, in part:

"We strongly endorse the administration of Mr. Blair as president of the board of education, and sincerely believe that he has rendered unusually valuable services for the good of our schools.

"There are few people who realize the personal sacrifices that Mr. Blair has made for the benefit of the public schools. Few realize the time and effort that Mr. Blair has expended as president and president-elect, and believe that he has rendered unusually valuable services for the good of our schools.

"Mr. Blair's administration has been thoroughly efficient, satisfactory and commendable, deserving the lasting gratitude of the entire community.

"We feel that it would be decidedly detrimental to our school system if it should be found that the services of Mr. Blair have not been fully appreciated. We therefore urge the board of education to retain Mr. Blair as president of the board of education for the next year.

Justice Peelle and Judge Robert M. Montgomery, presiding judge of the United States Court of Customs Appeals, addressed the graduates. The latter spoke of the duty of the graduates to the law, "not only the duty," he said, "which every citizen owes to his country, but the duty which every citizen owes to his neighbor, to his fellow citizen, to his fellow man, to his fellow woman, to his fellow child, but the active, affirmative duty of defending the law and its enforcement against all ill-advised attacks, in the name of the profession also were discussed by Judge Peelle. Fidelity to the courts, he said, is essential in the trial of cases. The aim and object of litigation is not merely to win a lawsuit, but to obtain justice between disputants, measured by consistent evidence and the law applicable thereto. To this end lawyers are to aid the courts not only by their learning and research as lawyers, but with fidelity to both court and client.

Degrees were conferred by Emma M. Gillett, dean of the college, while prizes were presented by Mrs. Ellen Sweeney, honorary dean, and Thomas H. Sanford, Peterson. The stage was banked with flowers and the auditorium was filled with relatives and friends of the graduates. Music was furnished during the evening by a section of the Marine Band.

**PROPOSES A FEDERATION OF ALL LUTHERAN CLUBS**

J. W. Heider Makes Plea for National Organization at Festival in Trinity Church.

A plea for a national organization of men's clubs of Lutheran churches was made last night by J. W. Heider, president of the Joint men's club of Trinity and Christ Lutheran churches, at the annual ladies' night and strawberry festival of the society held in the Sunday school room of Trinity Lutheran Church, 4th and E streets northwest.

Mr. Heider said every Lutheran church should have a men's club and once each year representatives of these should gather in a national convention. Such a national organization would be a power for good, he said.

Newly elected officers of the joint club were installed in office last night by Rev. J. E. Wenzel, pastor of Christ Lutheran Church. Rev. Henrich Schreder, pastor of Trinity Lutheran Church, was not present, being confined to his home by illness. The officers are Mr. Heider, president; W. F. Strasser, vice president; Frederick Umbau, secretary, and Charles Schultz, treasurer.

In addition to being the fourth annual ladies' night and strawberry festival held by the joint club, the gathering also was in celebration of the tenth anniversary of the formation of the club. The musical program contained selections by the church choir under the leadership of John S. Thiemeyer, organist of Trinity Lutheran Church, piano solo, by Alfred Wenzel, solos, by Mrs. H. Schneider and Miss Hartley, and piano duet by Miss C. Dittus and Miss L. Hoyerberg.

At the conclusion of the program every one joined in singing "The Lord's Prayer" and "The Star Spangled Banner."

Hairston, colored, thirty-four years old, 1524 10th street northwest, who was arrested by Policeman R. H. Mansfield of the sixth precinct.

It is charged that Hairston obtained the automobile from a garage by falsely representing that the owner had sent him for it, and during the time he was riding about the city, it is alleged, he became intoxicated. The night about 10 o'clock the automobile collided with a street car at B street and 10th street, and was badly damaged.

Miss Catherine Kreig of St. Patrick's School and Miss Mildred Fitzgerald of St. Dominic's School captured first and second prizes, respectively, at the spelling bee of the pupils of the seventh and eighth grades of the Catholic parochial schools of the city, held last night in Gonzaga Hall. Along with first honors Miss Kreig received \$10 in gold, and Miss Fitzgerald won \$5 in gold for being second best. To Leon Osman of the Immaculate Conception Boys' School, although he did not win a prize, goes the honor of being the last boy in the contest to be defeated. He gallantly defended the standard of the male until Rev. Leo A. Dore of Georgetown University shot a 42-centimeter "psychological" at him and crumbled his inner defenses, forcing him into a surrender.

The third two contestants stood up well under the first test of 630 words, only half a dozen falling out. After an intermission Father Dore gave out words that had not been studied for the test and the ranks began to thin rapidly. "Aberration" and "abuttal" were the biggest stumbling blocks.

The program of the evening began with a song and several selections by the Gonzaga Cadet Drum, Fifes and Bugle Corps. Other entertainers were Valentine Hess, Charles E. Ford, Kurt Blatzheim, Glenn W. Ashley, Joseph M. Dolan, Joseph M. Morgan and Miss Cecelia O'Day.

**Officers of the Contest.**

Father Dore of Georgetown University announced the words to be spelled, and Rev. Augustus J. Murrie served as referee. The judges were Rev. John P. Gallagher, Rev. Charles G. Herzog and Rev. Peter H.
